

March 30

March 30			
9:45 - 10:00	Opening: greetings from organizational and program committees		
10:00 - 13:00	PLENARY TALKS (http://dspa-conf.org/pages/keynote-speakers)		
13:00 - 14:00	Break		
14:00 - 16:00	Section 2 Theory and methods of digital signal processing	Section 6 Signal processing in biomedical engineering systems	Section 8 Machine vision, robotics and artificial intelligence
16:00 - 18:00		Section 7 Digital design and signal processing implementation	

March 31

March 31			
10:00 - 12:00	Section 1 Theory of signals and systems	Section 5 Image processing and transmission	Section 4 Signal processing in radio engineering systems
12:00 - 14:00		Section 3 Signal processing in communications	
14:00 - 16:00	Break		
16:00 - 20:00	IN-PERSON MEETING - CONFERENCE CLOSING		

All presentations are given online
